# RF100 MOTOR TAX APPLICATION FOR A NEW OR USED MOTOR CYCLE NOTES [To the completion of the RF100]

Please contact your local Motor Tax Office if you need any assistance completing this form.

## 1. When to use this form

This form may be used to apply for a Motor Tax Disc for a vehicle which has already been registered by the Revenue Commissioners. This form should be brought or posted to the Motor Tax Office of the District where the vehicle is ordinarily kept.

If you are not using the vehicle immediately following registration, you should not complete this Form. Instead, you should complete Form RF150 – Declaration of Non-Use of a Motor Vehicle and submit it to your motor tax office within 21 days of registration of the vehicle. You should retain this form for first taxing of the vehicle following the period of non-use.

#### Before completing this form

Ensure that the REGISTRATION MARK AND NUMBER assigned to the vehicle have been inserted clearly and legibly at Section A, item 13 on the form.

#### 3. How to complete this form

- Section A All the vehicle information in this Section should already have been completed by the motor dealer or the person who paid the Vehicle Registration Tax (VRT) to the Revenue Commissioners.
- Section B If not already completed enter the name and address of the registered owner, i.e. the keeper in whose name the vehicle is being licensed (taxed). In the case of a LEGAL ENTITY, the full and correct legal title must be given, e.g. in the case of a registered company, the name should be stated as per the Certificate of Incorporation. In the case of a private firm, the name by which it is ordinarily known and the names of the partners must be given, e.g. "John and Mary Murphy trading as J & M Suppliers".
- Section C Tick the box opposite the Tax Class under which you wish to tax the vehicle. If the class required is not listed, please write the required class in the box provided. You must provide all required information and include any necessary documentation as detailed in Note 4 below. IMPORTANT See tax class definitions at your local Motor Tax Office and ensure that the vehicle is eligible to be taxed in the class selected.
- Section D Enter details of your Insurance, i.e. Name of Insurer, Policy No. and Date of Expiry of cover Your insurance must be current when the tax disc comes into force and the Insurance must be appropriate to the declared use of the vehicle.

### Section E First Licence (Tax Disc) - Liability for Motor Tax

- Road Tax liability arises from the date the vehicle is first used in a public place after registration with the Revenue Commissioners. If your application for motor tax does not commence from the date of registration because of non-use of the vehicle in a public place, please insert the period of non-use specified by you on Form RF150 – Declaration of Non-Use of a Motor Vehicle (see note in section 1 above). Motor Tax Discs are not issued in respect of months already elapsed, and in the case of a Motor Cycle, the period that a tax disc may be applied for is 12 months.
- ii. If arrears are due, enter in the boxes the start and end month of the arrears period and the relevant amount of money.
- iii. Insert the commencement month/year and tick the relevant box for the tax disc period required. Insert the amount of the fee and complete the total box.
- Section G The signature on the application must be that of the keeper of the vehicle (Under section 130 of the Finance Act 1992 the 'Owner' is the 'Keeper').
- Section H Complete this section if payment is being made by Credit Card or Debit Card.
