13. Notices of Motion

13.1 Cllr. L. McDonald and the following Members (FF) Cllr. A. Browne, Cllr. B.A Murphy, Cllr. M. Sheehan, Cllr. J. Fleming, Cllr. M. Whelan, Cllr. A. Bolger, Cllr. D. Kenny, Cllr. J. Sullivan, Cllr. G. Laffan, Cllr. P. Breen, Cllr. W. Kavanagh

“That Wexford Co Council call on the government to amend the remit of Irish Water to fund County Councils to allow them to deal with, increase capacity in and manage rural waste water systems in our rural villages to protect the survival and growth of rural Ireland. “

13.2 Cllr. L. McDonald

“That Wexford Co Council call for a variation of the national broadband plan to allow for the roll out of high speed broadband in rural Ireland and areas which have poor broadband first and before the larger towns due to the challenges faced in working from home for those with poor connectivity to break down the digital divide. “

13.3 Cllr. G. Lawlor

“In the context of the Covid 19 pandemic and its impact on workers and their working patterns this council commits to establishing a task force to examine the best ways for Co. Wexford to exploit the possibilities of remote working and working from the home to the benefit of workers and potential workers across the County”.

13.4 Cllr. M. Sheehan

“That this Council calls on the Government to immediately reverse its policy of discrimination against Older People by the refusal to include over sixty sixes in the pandemic unemployment payment and in the design of the Stay and Spend Scheme which will automatically rule out many pensioners whose income is below the tax net.”

13.5 Cllr. T. Forde

"I ask that Wexford County Council work to introduce a Choice Based Letting Scheme in 2020 which would allow housing applicants to express an interest in a property that matches their needs in any area. The scheme is being successfully used by other Local Authorities at present and was included in the Government Action Plan for Housing and Homelessness (2016)"

13.6 Cllr. F. OSuilleabhain

"This Council recognises the huge growth that has been seen this year in camper van / motorhome-related tourism. It further acknowledges the huge benefits that this form of tourism can bring to an area and that it is a central part of the tourism infrastructure in many countries as well as being a generator of revenue for local authorities".
This Council will resolve to identify sites in Co. Wexford on which we can develop motorhome/camper van parks".
