Expressions of Interest Invited

The Town and Village Renewal Scheme 2019 has recently been launched with grants available for the renewal and redevelopment of rural towns and villages all across Ireland.

The Scheme is specifically targeted at rural towns and villages with populations of less than 10,000. Up to 80% of the total cost of a project will be provided for any individual project. Grants will range from €20,000 to a maximum of €100,000 per project while up to €200,000 can be considered for a limited number of projects which can demonstrate exceptionally strong benefit to a town and/or its outlying areas.

Wexford County Council invites Expressions of Interest from town/village groups who may have a suitable project for consideration under the Scheme.

All expressions of interest received will be assessed, following which a maximum of 12 proposals will be selected for development into detailed applications and submitted to the Department of Rural and Community Development for consideration under the Scheme.
