

AN Organisation

Have pledged to support and promote the Not Around Us in Wexford Campaign

Wexford's 'Not Around Us' initiative is an invitation from young people to consider your activity in spaces where there are children and young people, in order to provide smoke/vape free environments for our young people and to help de-normalise smoking and vaping for the next generation. 'Not Around Us' is another step towards a tobacco & vape free Wexford.

By implementing 'Not Around Us' in Wexford we are:

- Helping to **protect** children and young people from second-hand smoke exposure
- Contributing to the **de-normalisation** of smoking for children and young people
- **Raising awareness** and **support** on tobacco/vape free Ireland and everyone playing a part in supporting it
- **Signposting** to HSE Quit services – visit Quit.ie or call 1800 201 203
