15. Notices of Motion

15.1 Cllr. L. Kelly

“Wexford County Council calls on the Irish Government Departments of Health, Justice and Equality and Children and Youth Affairs to recognize that Parental Alienation is “Substantial and sustained dissatisfaction within a caregiver-child relationship associated with significant disturbance in functioning” as coded by the World Health Organisation in the latest International Classification of Diseases version 11 and to implement recommendation 36 of the Report of the Reform of the Family Law System October 2019.”

15.2 Cllr. T. Forde

“Wexford County Council calls on the Office of Public Works to carry out the necessary excavation works to recover the remains of Joe Brady, Daniel Curley, Michael Fagan, Thomas Caffrey and Tim Kelly, in what is commonly known as the Invincibles Yard at Kilmainham jail.

The bodies of these five members of the Irish National Invincibles lie beneath the paving slabs of the yard where they were executed in 1883 for their part in the Phoenix Park assassinations.

The families of the five men are represented by the National Graves Association and the wish of the families is for their relatives to be exhumed from Kilmainham jail and reinterred in consecrated ground at Glasnevin Cemetery.”

15.3 Cllr. J. Moore

“Wexford County Council requests the Department of Environment to amend the current Road Traffic legislation and introduce a ‘**Speed Awareness Course**’ instead of the automatic imposition of penalty points under certain conditions. By giving the offender an opportunity to avail of education / awareness training can only improve the current driving practice in Ireland, reduce court activity and most importantly reduce Insurance costs. These can be achieved with appropriate controls eg one can only apply for such a course once in a 3-year period.”

15.4 Cllr. L. Kelly

“Wexford County Council requests that the Minister undertakes the following: That the stillbirth register and stillbirth registration be removed and be replaced with a birth and death certificate for babies who are stillborn, so that babies who are stillborn can be registered on the birth and death register and can receive the same state records of their existence as everyone else. Parents whose babies are currently listed on the stillbirth register should be given the opportunity to have their babies placed on the birth and death register and to receive a birth and death certificate for their babies.”
