12. Notices of Motion

12.1 Cllr. Lisa McDonald, Cllr. Ger Carthy and Cllr. Garry Laffan

"This Council proposes that in order to advance the N11 / N25 Oilgate to Rosslare Harbour project and to improve road safety, certainty of travel times to Rosslare Europort, the existing chronic traffic congestion all along the Wexford ring road, the long traffic tail-backs through the small village of Oilgate, and the environmental problems associated with these and other issues on the current sub-standard national roads and to give certainty to those who live in the development corridor; that the active travel component of this scheme be developed offline along the existing N11 and N25 roadways, which will be reclassified as rural routes on completion of the N11 /N25 Oilgate to Rosslare Harbour scheme.

This will reduce project costs, reduce land take from landowners and propertyowners, speed up the design phase of the already protracted delivery of the scheme, avoid the necessity of a further CPO and lead to a better outcome for all interested parties in this nationally important project.

If passed this motion is to be circulated to all 8 Oireachtas members, The Minister for Transport and to the office of An Taoiseach. "

The motion was proposed by Cllr. L. McDonald, seconded by Cllr. G. Carthy and carried on a show of hands.

12.2 Cllr. Tom Forde

"Déanfaidh Comhairle Contae Loch Garman gach iarracht chun tionscnamh a thosú cosúil le "Gaeilge365" agus "BÁC le Gaeilge". Scríobhaimid chuig an Aire chun maoiniú a iarraidh do thionscadail mar seo."

"Wexford County Council will make every effort to establish projects like "Gaeilge365" and "BÁC le Gaeilge". We will write to the Minister to request funding for such projects."

The motion was proposed by Cllr. T. Forde, seconded by Cllr. D. McDonald and agreed by all.

12.3 Cllr. Aoife Rose O'Brien

"I call on Wexford County Council to write to the Minister for Housing, James Browne, to request a complete review of the HAP rates for Co. Wexford; with a view to increase the allowance percentage"

The motion was proposed by Cllr. A.R. O'Brien, seconded by Cllr. T. Forde and agreed by all.

12.4 Cllr. Craig Doyle

" To ask that this council writes to the minister for health and asks them to look into the creation of an easily accessible database and/or application similar to the "dead sure" app used for street lighting that will allow the public and emergency services to find their nearest defibrillator quickly and efficiently. Also, it will allow people to easily report a used /vandalised unit and notify whoever is in charge of the defibrillator that it is in need of service."

The motion was proposed by Cllr. C. Doyle, seconded by Cllr. A.R. O'Brien and agreed by all.

12.5 Cllr. Michael Sheehan

"Recognising the important role that local government and local democracy plays in our nation, and given the need to rejuvenate and reinvigorate town centres, this Council calls on the Minister for Housing and Local Government to initiate the commitment in the Programme of Government and begin the process of consultation, roles, responsibilities and functions to reestablish Town Councils, in all of the areas (Wexford, New Ross, Gorey and Enniscorthy) that had them before their abolition in time for the next local elections in 2029. "

The motion was proposed by Cllr. M. Sheehan, seconded by Cllr. L. Kelly and agreed by all.

12.6 Cllr. Tom Forde

"This council welcomes initiatives like the URDF programme to tackle long term vacant and derelict properties across our county. We ask that Minister James Browne alter this scheme and future schemes to ensure that properties purchased by the council can be retained by local authorities for use as their own housing stock instead of selling them on the open private market where they may be obtained by investors."

12.7 Cllr. Aoife Rose O'Brien
