1. INTRODUCTION

Wexford County Council currently has approximately 3,157 households on its social housing waiting list.

The Council is seeking to increase the number of social housing units being brought into use, through various delivery mechanisms, including the acquisition of turnkey units on greenfield/brownfield and/or unfinished housing development sites.

It is an objective of the Council to create sustainable communities by encouraging a greater mix of social and private housing. *Proposals for turnkey housing developments within areas of demand which do not currently have a concentration of social housing, will be particularly welcome.*

2. SUBMISSIONS

2.1 Background Information

2.1.1 Areas of Need

Proposals are invited for the supply of turnkey housing developments for social housing in all towns and villages within the functional area of Wexford County Council where a housing need exists.

The Council is particularly interested in proposals in the following locations:

Location	Number of Households Approved for Social Housing Support on the Housing waiting list (First Preference)
Wexford	828
Gorey	573
Enniscorthy	503
New Ross	323

Applications for other areas will be considered in line with current housing need. See Appendix 1 for full list of areas for consideration.

2.1.2 Housing Waiting List – Breakdown of Approved Households (above Areas) by Unit Size

- 1 or 2 Bedroomed Units - 72 %
- 3 Bedroomed Units - 25 %
- 4 Bedroomed or larger Units - 3 %

2.1.3 Proximity to Services/Amenities

Proposals should be well located within or very close to town/village boundaries and be within walking distance of primary services such as school, shop, community facility etc.

Where a zoning map for the town/village has been adopted by the Council, the zoning of the site in the relevant Local Area/County Plan must be compatible with residential development and should not, by virtue of its development for social housing, lead to an overconcentration of social housing in that area.

2.2 Information to be submitted

1. Applicant Details:

- Details of individual or company submitting the proposal including a contact name, address, phone number and email
- Interest of individual or company submitting the proposal in the subject lands e.g owner/option to purchase.

 - If a live planning permission exists please confirm planning reference number and relevant time extension if any.

2.3 Evaluation of Submissions

All submissions will initially be evaluated against three Pass/Fail criteria. Only those submissions which achieve a Pass mark against all three criteria, will be considered further.

The three Pass/Fail criteria are as follows:

- | | |
|---|------------------|
| 1. Location and Suitability of the Site for Social Housing | Pass/Fail |
| 2. Land Zoning Status (if applicable). Zoning must be compatible with residential development | Pass/Fail |
| 3. All necessary utilities available e.g. Water, Sewerage, Electricity, Communications etc | Pass/Fail |

Proposals which are deemed acceptable will be further evaluated using a weighted criteria.

The criteria will be used to rank submissions and will be of particular importance where the number of submissions received exceeds the Council’s requirements in a particular area:

The following criteria will be used to evaluate acceptable proposals:

- | | |
|--|---------------------------|
| 1. Response to Briefing Document | |

35 Marks

- Cost per unit as against LA Unit Cost Ceilings

(Min Pass Mark 25)

3. Timescale for Delivery

25 Marks

Proposals will be required to provide confirmation of project status information. Proposals which can deliver housing sooner than others will be awarded higher marks.

(Min Pass Mark 15)

Marks will be awarded as follows:

3. CONTRACTUAL ARRANGEMENTS

No stage payments will be made by the local authority but in the case of a phased delivery/handover, payments will be made in respect of units handed over.
