

Gorey Town Park

Coordinates:

52°40'41.0"N 6°17'58.9"W

Trail Details

Located approximately 500m from the Main Street via North Parade or Fort Road, the park can be accessed from the Fort Road entrance with parking facilities including 2 designated blue badge parking spaces provided. This newly-revamped amenity provides a playing field area, an extensive playground space and a walking track. The track travels the perimeter of the site, providing linkage to an array of amenities such as a picnic area, an open-air amphitheatre, accessible WC, general toilet facilities and dressing rooms. Planting, seating and a sensory garden also feature.

Approach

Gorey Town Park affords the visitor many options to travel through and traverse the parkland, whilst path surfaces allow for accessibility for walkers and mobility aids alike. The site is relatively level throughout.

Playground & Skate Park Facilities

A multi-user playground for all ages and abilities is available on site to ensure visitors can plan for a full day of activities. Seating arrangements are located throughout the site with some seats provided with backs and armrests for those who wish to take some time out.

Community Building

Located in the centre of the park, this offers changing and toilet facilities including a fully accessible WC providing an 1800mm turning circle within.

The Bridge

The bridge feature offers the visitor the opportunity of a vantage point to take in the views across the park.
