Note 5 - Annual Expense Allowance is an allowance to offset reasonable expenses incurred by members in carrying out their duties as Councillors. It covers costs for attendance at meetings and incidental travel and subsistence within the functional area of the local authority. The subsistence amount is calculated in accordance with relevant legislation and is also paid monthly. The amount of allowance payable is reduced pro-rata where attendance is less than the minimum level. Figures include end of year balancing for 2025.

Note 6 - Local Represenational Allowance is an allowance payable to members on a vouched basis subject to a maximum set by legislation. Members can claim reimbursement for costs incurred in the performance of their duties as Councillors under specified categories of expenditure. The allowance carries an attendance requirement, with full allowance paid for a minimum of 50% attendance. The amount of allowance payable is reduced pro-rata where attendance is less than the minimum level. The figures include expenses unclaimed for 2024, paid 2026.

Note 7 - Representational Payments are in effect a "salary" type payment to Members. Amounts are set by legislation and are shown in "gross" terms, before deduction of PAYE, PRSI and other statutory deductions. Payment to one Cllr. includes a deduction for overpayment of allowances in 2025.
