

Min Ryan Park, Wexford

Coordinates: 52.322695,-6.487980

Trail Details

This park is located beside the Loretto Secondary School 1.2km from the Duncannon roundabout off the N25. An 18-acre site, the park has an array of attractive features: a playground, picnic area, dog park, memorial garden and a fully accessible walking trail which meanders through the complete site; enjoy the water features, wildflower meadows, and art and sculpture displays. The park has ample parking including designated blue badge parking, a Changing Places facility, accessible WC general toilet facilities and coffee dock.

Parking & Approach

The park has ample parking including 3 no. designated blue badge parking spaces located directly inside the main entrance of the Park.

Playground & Seating

A multi-user playground facility for all ages and abilities to interact and enjoy. Seating with backs and arms rest are located throughout the site.

Toilets & Changing Places Facility

The toilet facilities include male and female cubicles, an accessible WC with an 1800mm turning circle and a separate Changing Places facility of 12 meters square.

First World War Memorial Garden

The park also features a beautiful First World War Memorial Garden to honour those in the 16th Irish Division who lost their lives in the First World War. Seating with backs and armrests are located both inside and around the garden.
