14. Notices of Motion

14.1 Cllr. Aoife Rose O'Brien

"This Council calls on the Department of Finance to introduce a shared risk model or subsidy to support homeowners of thatched roof cottages; noting the growing crisis thatched homeowners are facing due to increased premiums, a lack of insurers providing cover for these properties and subsequent issues which act as a barrier for these homeowners to sell their properties."

This motion was proposed by Cllr. A.R. O'Brien, seconded by Cllr. J. Codd and agreed by all.

14.2 Cllr. Paddy Kavanagh

“I propose that the closed season be pulled back by a month so that hedge cutting can commence on August 1st instead of September 1st. I call on the Minister for Housing, Local Government and Heritage to amend the relevant legislation to give effect to this proposal”.

This motion was proposed by Cllr. P. Kavanagh, seconded by Cllr. M. Murphy and agreed by all.

14.3 Cllr. Leonard Kelly & Cllr. Tom Forde

“That Wexford County Council opposes Department of Education Circular 0039/2025, particularly due to its impact on special schools serving students with Mild General Learning Disabilities (MGLD).

This Circular imposes staffing, curricular, and administrative changes that fail to account for the diverse needs of students in special education settings. In particular, schools supporting students with MGLD are at risk of losing flexibility in delivering life skills–focused programmes, experience staffing constraints, and face additional pressures that undermine inclusive education.

Special schools require tailored structures — not one-size-fits-all policies designed around mainstream models. Circular0039/2025 threatens to dilute the quality and appropriateness of education for students who benefit most from structured, specialised, and supportive learning environments.

We call on the Minister for Education to:

1. Suspend the implementation of this circular for special schools;
2. Engage in meaningful consultation with affected stakeholders;
3. Protect the autonomy and integrity of special schools serving children with MGLD and other additional needs.

A copy of this motion will be sent to the Minister for Education, Wexford Oireachtas members, the National Council for Special Education, and other relevant educational and representative bodies.”

Cllr. T. Forde clarified that the motion seeks to oppose Section 10 of Department of Education Circular 0039/2025, rather than the entire circular.

This motion was proposed by Cllr. T. Forde, seconded by Cllr. L. Kelly and agreed by all.

14.4 Cllr. Vicky Barron and Cllr. Brídín Murphy.

“That Wexford County Council commits to the introduction of mandatory annual training on Domestic, Sexual, and Gender-Based Violence (DSGBV) for all elected members.

This training will equip councillors—who are not qualified DSGBV professionals—with the knowledge and guidance necessary to respond appropriately and sensitively to constituents disclosing experiences of DSGBV, and to effectively advocate on their behalf within the limits of their role.

It is proposed that the training be delivered annually as part of a scheduled Council meeting, in the form of an interactive Q&A session. The session should be facilitated by a recognised expert in the field.

By adopting this motion, Wexford County Council will demonstrate leadership in promoting a trauma-informed, survivor-centred approach to public service and strengthen our commitment to supporting victims of DSGBV in our communities.”

This motion was proposed by Cllr. V. Barron, seconded by Cllr. B. Murphy and agreed by all.

14.5 Cllr. Michael Sheehan

“In recognition of the stresses and anxieties of families with loved ones in hospital and the severity of the cost of living crisis, this Council calls on the Minister for Health, Jennifer Carroll MacNeill and the Minister for Public Expenditure, Jack Chambers to end the practice of paid parking in all public hospital car parks by whatever means possible.”

“In recognition of the stresses and anxieties of families with loved ones in hospital and the severity of the cost of living crisis, this Council calls on the Minister for Health, and the Minister for Public Expenditure, to reduce the parking fees to one euro per hour with a maximum payment of 10 euro per 24 hours in all public hospital car parks.”

On a show of hands, the amended motion was passed.

Cllr. R. Shannon left the meeting at this point.

14.6 Cllr. Jim Codd

“This Council expresses its dismay at and opposition to the government’s intention to abolish the Triple Lock, which governs the deployment of Irish Defence Forces personnel overseas.

The Triple Lock has ensured that Ireland’s participation in overseas missions (with more than 12 defence personnel) would always require approval from: 1. the Cabinet 2. Dáil Éireann and 3. that the mission they are being deployed on would have a UN mandate either from the Security Council or the General Assembly.

In 2001, the Irish people rejected the Nice Treaty over concerns that it would drag Ireland into EU military structures that would threaten our neutrality. To get the electorate to approve the EU Treaty, the government with the agreement of the other EU Member States, through a “solemn declaration” introduced the Triple Lock. This Declaration was reiterated following initial rejection of the subsequent Lisbon Treaty.

Therefore, this Council rejects Government’s plans to abolish or amend the Triple Lock, considering the proposal signifies a breach of trust with the Irish electorate and a serious diminution of Irish Neutrality. “

This motion was proposed by Cllr. J. Codd and seconded by Cllr. P. Kavanagh.

On the proposal of Cllr. V. Barron, seconded by Cllr. C. Walsh the Council resolved to suspend standing orders to allow the meeting to continue beyond 5.30pm.

The Cathaoirleach advised that there would be a roll call vote on the motion. The outcome was the motion was carried after Cathaoirleach Cllr. J. 14.9 Cllr. Aoife Rose O'Brien

"We, The Rosslare Municipal District, call on Wexford County Council to provide a fair share of social housing developments, committing to increase the supply allocated for the RMD; noting the shortfall received to date compared to other districts".

This motion wasn't moved.

14.10 Cllr. Tom Forde

“This Council will adopt a rights based Ethical Procurement Policy (EPP), ensuring that every endeavour is made to ensure that Council tender processes are consistent with the principles of the UN guiding principles on Business & Human Rights, OECD, Guidelines for Multinational Enterprises & the Global Sullivan Principles (1999) - to promote respect for human rights by companies with which they do business.
