## My Town and Me! Architecture Scavenger Hunt

Can you find all of these unique features scattered around your town?

Take a picture of this map or collect one from the Enniscorthy Library, follow the route and get hunting!

### THINK BIG Design!

Imagine if there were less cars along the promenade and more space for playing and relaxing by the river! Design your own version of The Promenade that you would enjoy!

What would you put there?  
Who would it be for?  
What would it be made from?
