

Pearse Park, New Ross

Coordinates: 52°23'22.4"N
6°57'00.8"W

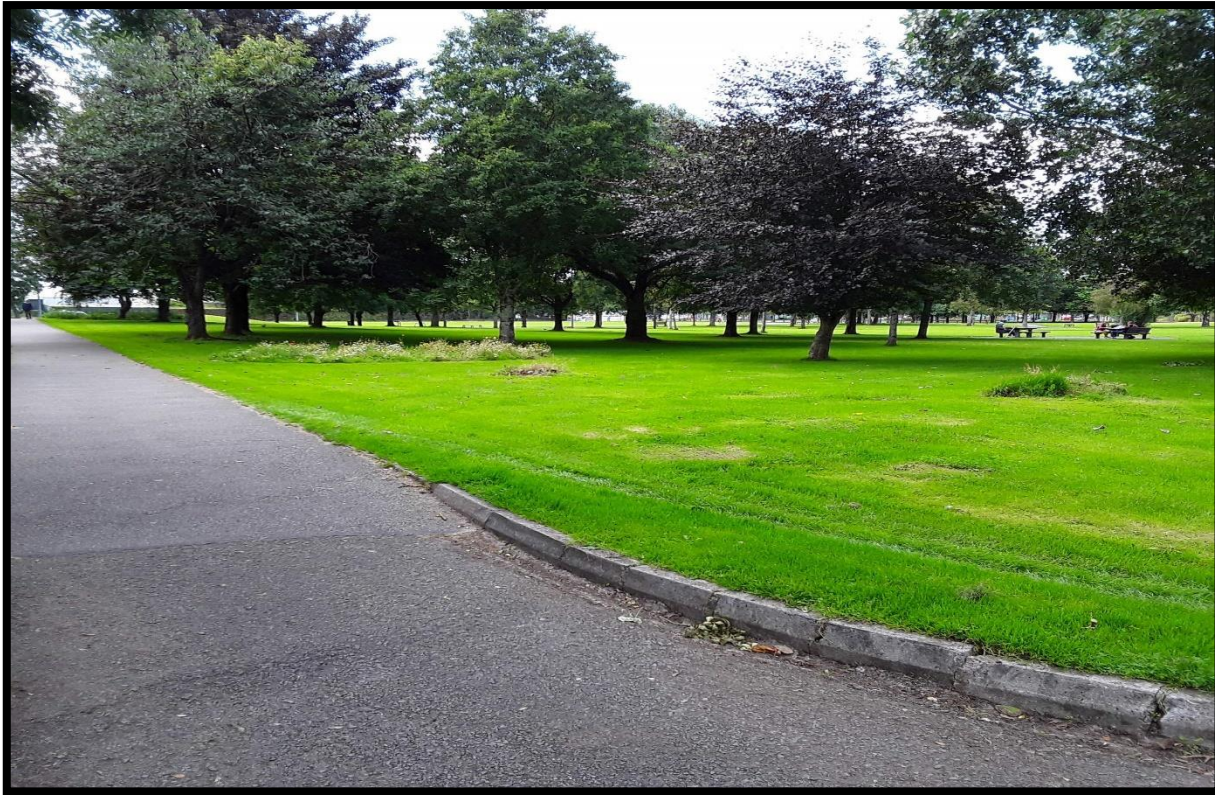

Trail Details

Located directly opposite the marina of the River Barrow adjacent to the N25, Pearse Park is a five-acre site in the heart of the town. There is an array of facilities which can be seen from the approach road, with the extent of facilities only realised upon entering the park. There are spacious and landscaped greens surrounded by a walking track which abuts the full perimeter of the site. A floodlit 400m running track also features, with a green centre area for athletic field events and multi-user games, coupled with a multi-functional caged all-weather playing surface for soccer, basketball, and tennis. The park has a playground, a sensory and wildflower area, outdoor adult gym, planting with fantastic specimens of established trees, picnic tables, accessible WC and general toilet facilities are all available within the park. Parking is available including one space for designated blue badge parking.

Approach Route

The park has a multi-user surface throughout with access points from the main perimeter walkway to all the facilities with the park. At the main entrance to the park the designated accessible parking is situated directly at this entrance. The park has alternative entrances for which pedestrian access can be gained.

Features

Landscaped greens are flanked by a walking track which travels the full perimeter of the site, and feature a band stand for summer entertainment.
