

# E-PLANNING IS COMING.

Tom Banville - Senior Executive Officer  
Wexford County Council

# **BENEFITS OF E-PLANNING**

Easier for you to submit online

Reduced need and cost of printing

Positive move to streamline public service online

One portal for applications to Multiple LAs

Quicker turnaround on invalid applications

No need to physically visit LA building

Online payments

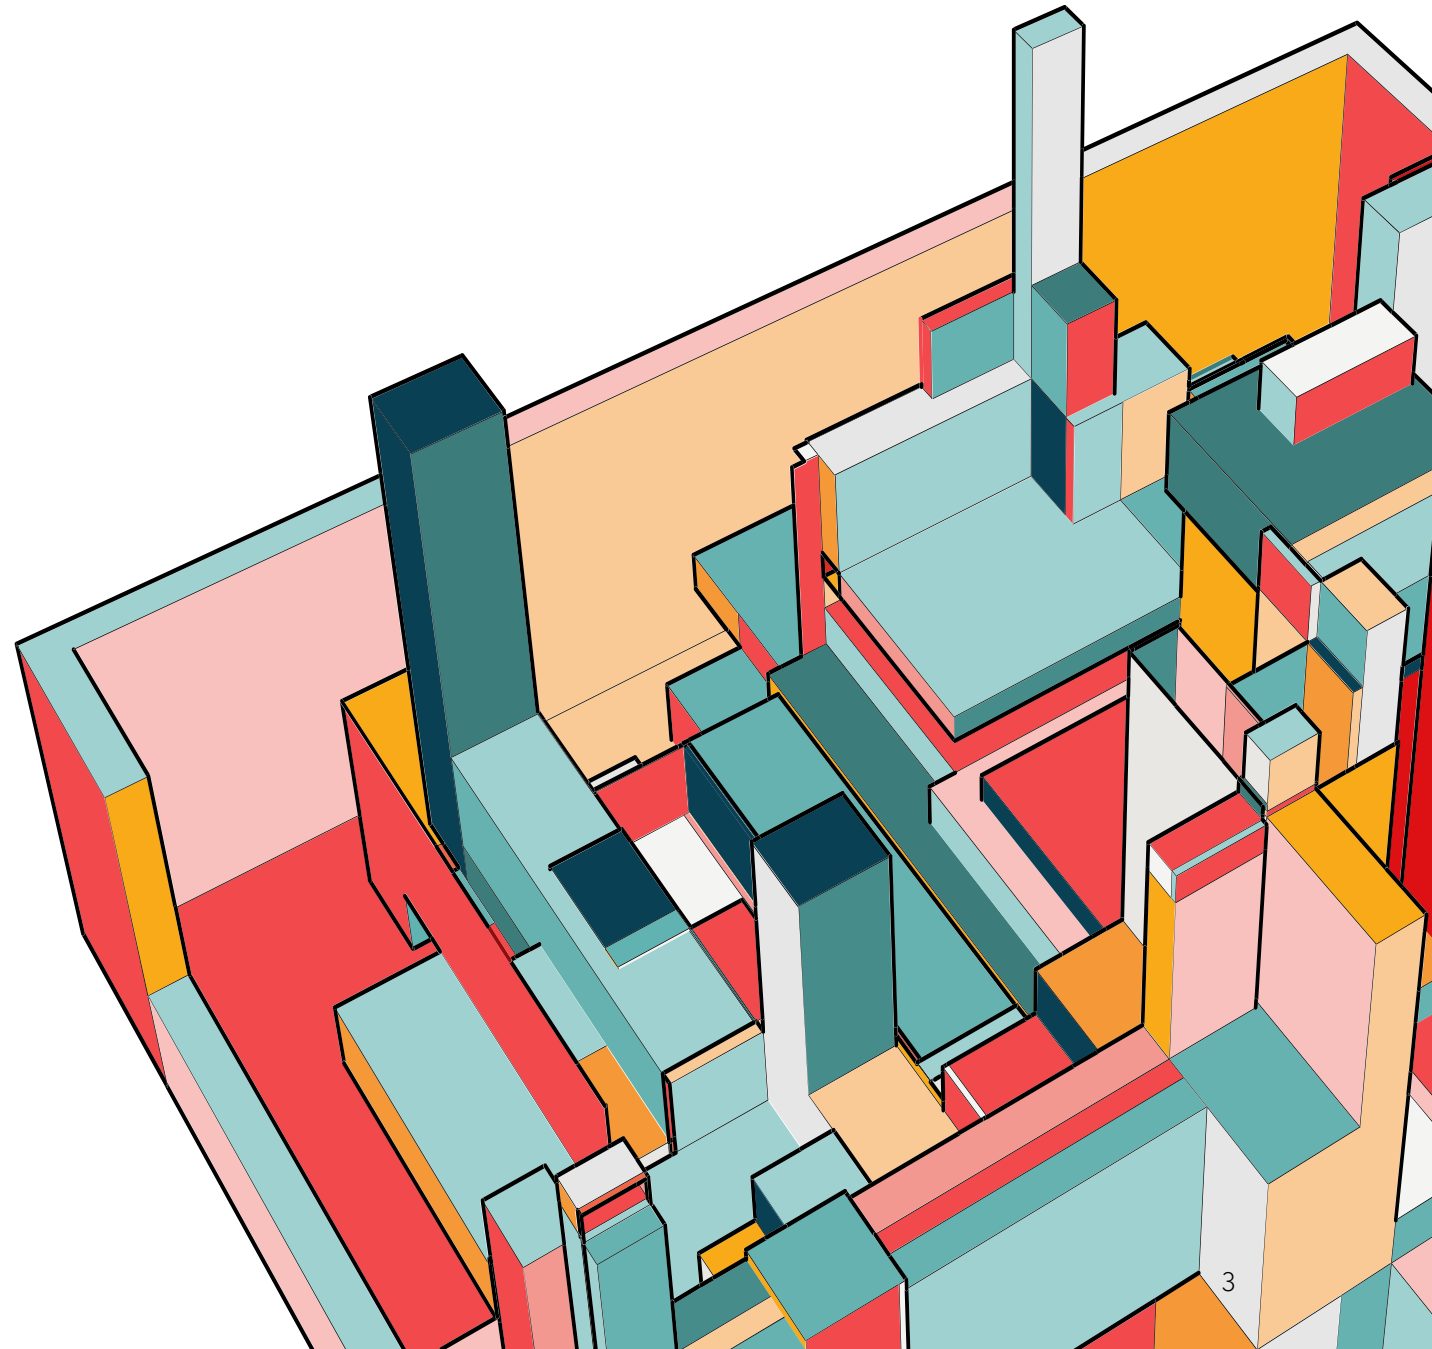

No need for expensive printers and plotters

# E-PLANNING

Planning applications and submissions are currently being submitted through several LAs including Tipperary, Galway, Westmeath and Kilkenny at <https://planning.localgov.ie/>

This is the national portal for E-Planning

The rollout to more Local Authorities will take place in 2023 with Wexford expected to come online in Quarter 2

This service is currently in beta operation and in particular, not all Part 8 schemes are on display via the portal at this point.

# WE ARE GETTING READY

## APAS – Version 80

We operate Version 80 of APAS which is the most UpToDate version of this system

## Digital Archive

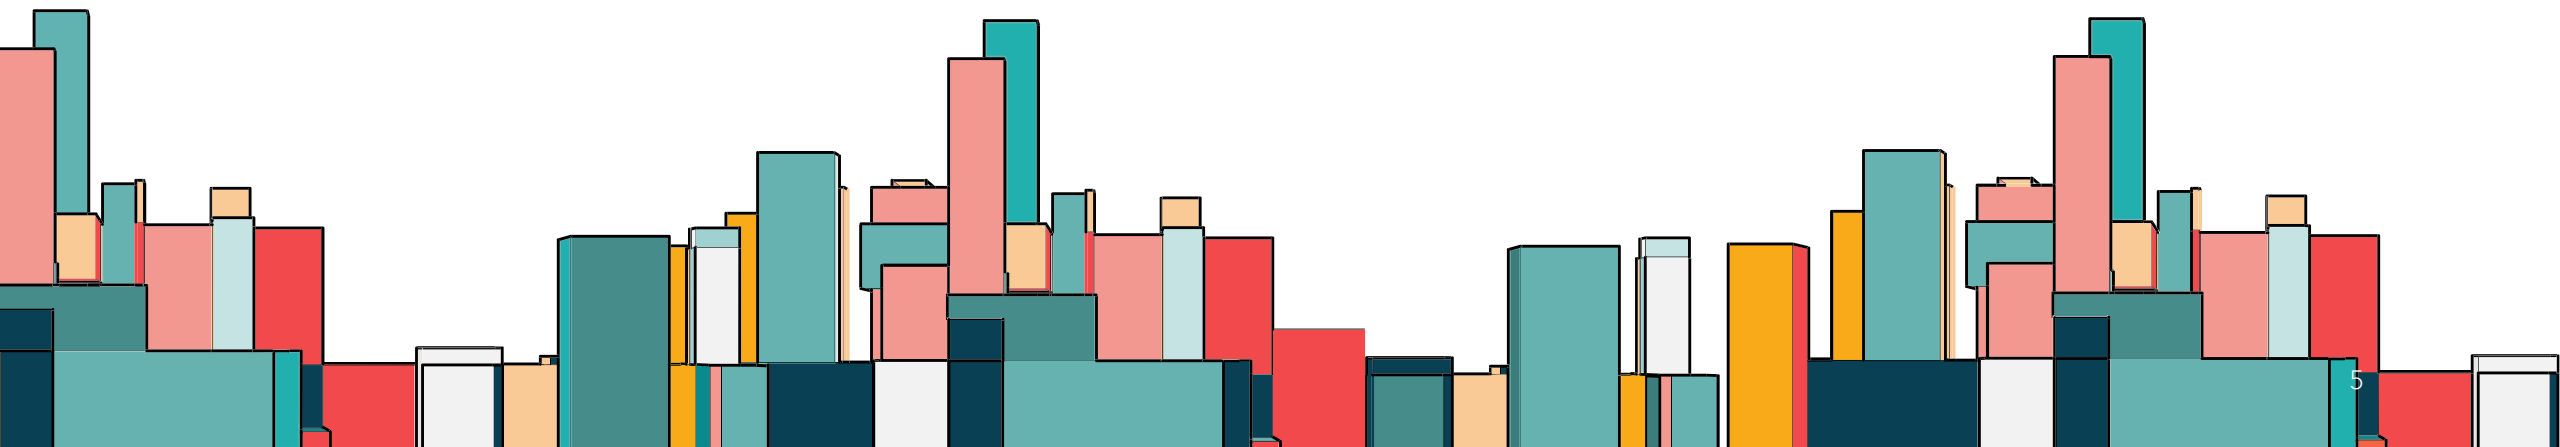

We continue to digitize our planning archive back to 1963.

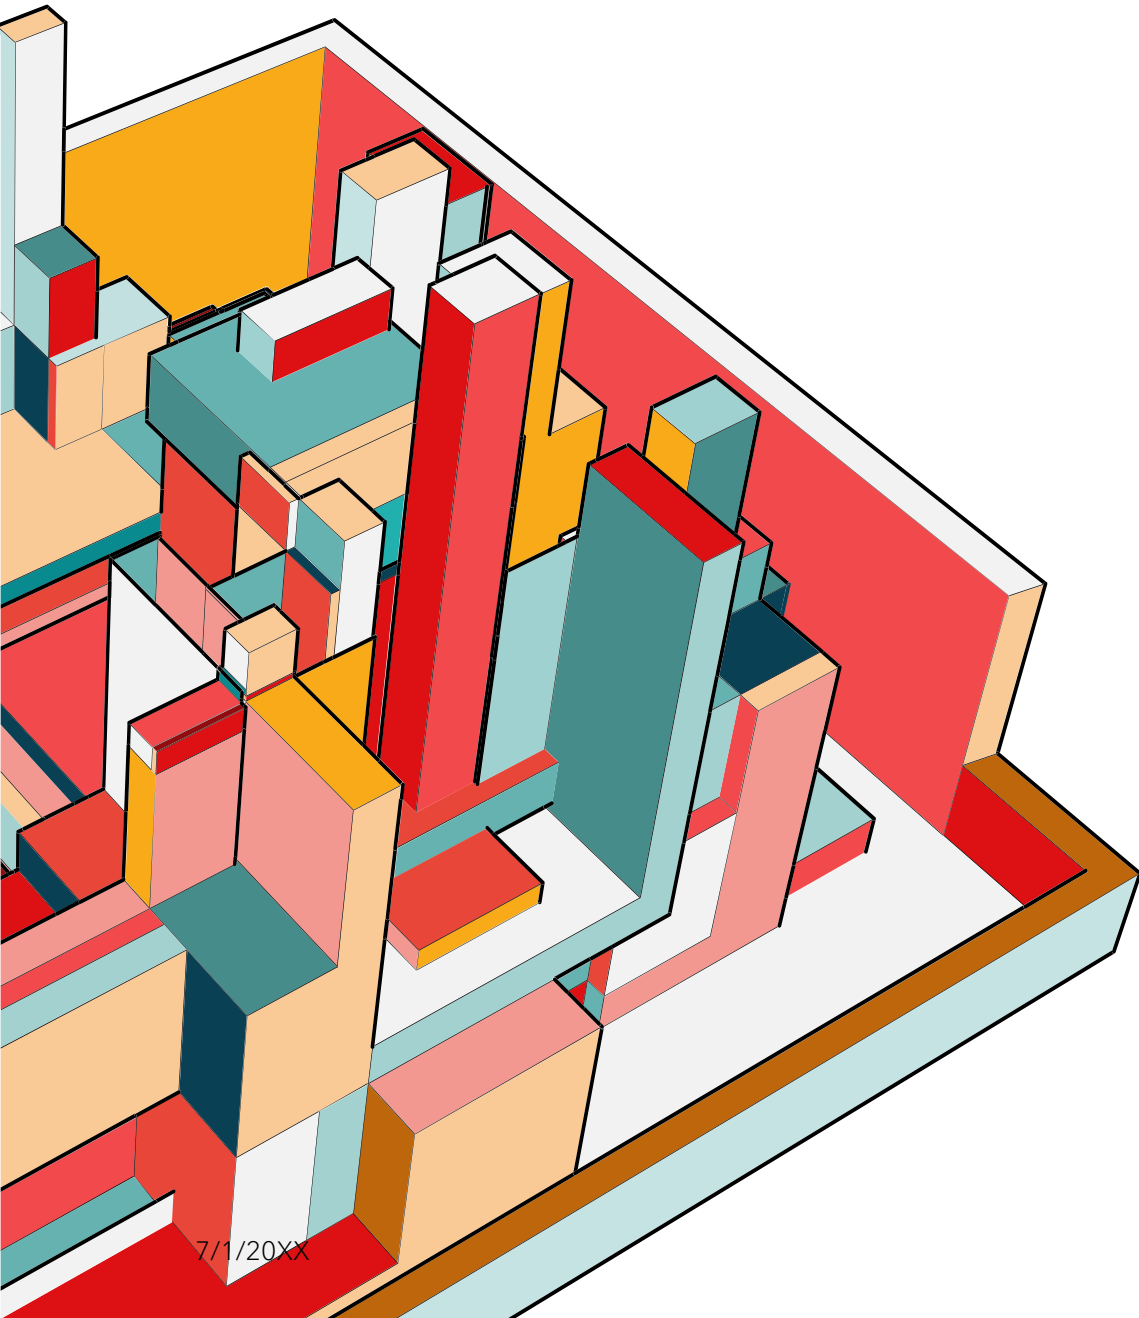

## TESTING

We will be ready to accept online planning applications as soon as the national portal is ready to operate with APAS

## TRAINING

We continue to participate in training and working groups with the LGMA in advance of E-planning

# SUMMARY

You can sign up now for the national portal at:

<https://planning.localgov.ie/>

Look out for updates from WCC on the introduction of E-planning

Invest in new IT hardware to take best advantage of E-planning - Dual screens are a must!
