	Structures proposed for deletion from Record of Protected Structures				
	21st May 2012				
WCC_Ref_NO	Reason				
WCC0527	This dwelling has been destroyed by fire and there is insufficient fabric remaining.				
	This structure has declined for some time, given the construction materials (mudwall & thatched). There is insufficient fabric to retain the building on the list of				
WCC0896	protected structures.				
	This structure has declined for some time given the construction materials (mudwall & thatched). There is insufficient fabric to retain the building on the list of				
WCC0571	protected structures.				
	This property was classed as a ruin in 1987. Alterations have been carried out and the "new" building may have been added to the list of protected structures in				
WCC0002	error. The property is not included in the Minister's recommendations.				
	During renovation works, structural prolems occurred which resulted in the loss of the majority of the dwelling. Whilst the replacement structure follows the				
WCC0019	principles of vernacular architecture, it is essentially a new dwelling and not recmommended for retention on the list of protected structures.				
	Council cottage not included in the Minister's recommendation and does not contribute to the character of the local area to a level which would warrant its				
WCC0919	inclusion on the list of protected structures.				
WCC0923	The structure has declined and has been subject to renovation which has not been beneficial to the character of the dwelling.				
WCC0113	Graveyard is a recorded monument and does not require inclusion on the list of protected structures.				
WCC0890	Property was destroyed by fire and has been reconstructed.				
WCC0921	Property was rebuilt in 1990, not recommended for retention.				
WCC0800	Ballyhack Tower House is a recorded momument and does not require protection on the list of protected structures.				
WCC0797	Mountgarrett Castle is a recorded momument and does not require protection on the list of protected structures.				
WCC0775	Coolhull Castle is a recorded momument and does not require protection on the list of protected structures.				
WCC0501	The property has been in a ruinous state for a long time. There is no value in retaining this structure on the list of protected structures.				
WCC0790	Atramon Castle is a recorded momument and does not require protection on the list of protected structures.				
WCC0795	Ferrycarrig Tower is a recorded momument and does not require protection on the list of protected structures.				
WCC0793	Deeps Tower House is a recorded momument and does not require protection on the list of protected structures.				
WCC0806	Sigginstown Tower House is a recorded momument and does not require protection on the list of protected structures.				
WCC0805	Carne Tower House is a recorded momument and does not require protection on the list of protected structures.				
WCC0804	Castletown Tower House is a recorded momument and does not require protection on the list of protected structures.				
WCC0796	Structure is a recorded momument and does not require protection on the list of protected structures.				
WCC0620	Structure has not been identified in the Ministerial recommendations.				
WCC0621	Structure has not been identified in the Ministerial recommendations.				

WCC0769	Structure is a recorded momument and does not require protection on the list of protected structures.
WCC0766	Structure is a recorded momument and does not require protection on the list of protected structures.
WCC0771	Structure is a recorded momument and does not require protection on the list of protected structures.
WCC0779	Structure is a recorded momument and does not require protection on the list of protected structures.
WCC0773	Structure is a recorded momument and does not require protection on the list of protected structures.
