

An aerial photograph of a coastal town, Courtown and Riverchapel. The town is built on a hillside overlooking the sea. It features a mix of residential housing, including terraced houses and larger apartment blocks. A prominent building with a circular tower is visible in the center. The coastline is rocky with some sandy areas. The surrounding landscape is green and hilly.

Courtown and Riverchapel Local Area Plan 2015-2021

Appendix 5

Implementation and Delivery Schedule

Introduction

The Council acknowledges that one of the main factors in the successful implementation of the LAP is securing the necessary funding and partnerships to deliver key objectives in the plan such as those relating to infrastructure and services. This Implementation and Infrastructure Delivery Schedule has been prepared to assist in the delivery of the key objectives in the LAP relating to infrastructure and services. The delivery schedule is broken into three timeframes: short term (1-2 years), medium term (2-4 years) and long term (4+ years).

Key Development	Riverchapel Community Pitch
Objective Reference No	RS02
Timescales	Short term
Key Outcomes	Pitch completed and open for use
Funding sources	Community Section, in partnership with local sports club. Part XI application complete; works commenced in 2014

Key Development	Footpaths and Traffic calming at Red Row
Objective Reference No	AM04
Timescales	Short term
Key Outcomes	Completion of foot paths along Red Row and installation of traffic calming
Funding sources	Local Authority own sources funded by Development Contributions and Capital Works Programme

Key Development	Gorey to Courtown Waste Water Treatment Plant
Objective Reference No	WW01
Timescales	Short term
Key Outcomes	Completed Public Waste Water Treatment System between Gorey and Courtown
Funding sources	Irish Water works commenced in 2014

Key Development	Pedestrian Linkage between Beachside Estate and Riverchapel National School
Objective Reference No	AM08
Timescales	Short term
Key Outcomes	To have a safe, accessible pedestrian linkage between Beachside Estate and Riverchapel National School
Funding sources	Wexford County Council in consultation with the landowner

Key Development	Footpaths in Riverchapel
Objective Reference No	AM04
Timescales	Long term
Key Outcomes	Completed footpath between Riverchapel and Courtown village centres; from Riverchapel to Pollshone and from Middletown to Riverchapel.
Funding sources	Local Authority own sources funded by Development Contributions and Capital Works Programme

Key Development	Group Waste Water Treatment Scheme Ardamine
Objective Reference No	TA08
Timescales	Long term
Key Outcomes	To have authorised properties within the Sandy Lane, Ardamine, Burrow and Pollshone connected to a group waste water treatment pumping station up to the main public sewer.
Funding sources	Irish Water in partnership with private landowners.
