Applicant : Tullabeg Solar Farm Ltd

Location : Tullabeg, Balloughter

Proposal : Permission for a solar farm consisting of circa 160,000m<sup>2</sup> of solar panels on ground mounted frames, 5 no. single storey electrical inverter/transformer stations, underground cabling, security fencing, satellite communications pole, CCTV, access tracks (including one agricultural bridge over a land drain) upgrades to one existing domestic/agricultural entrance, temporary construction compounds, landscaping and all associated ancillary development works. Construction and operational access will be via the L-5092. The project will connect with and represents an extension to the adjacent solar farm under Planning Reference 20191272 (An Bord Pleanala Reference 306065-19). Permission is also sought for minor amendments to Planning Reference 20191272 (An Bord Pleanala Reference 306065-19), comprising removal of 4 no. linear metres of hedgerow in the northern field parcel to facilitate a 4 metre wide access track and separately, the laying of underground cabling to connect the permitted and proposed projects. The solar farm will connect to the national grid by means of the 110kV substation permitted under An Bord Pleanala 305803-19 and will have an operational lifespan of 35 years.
