Planning No.	Application Date	Application Type	Applicant	Area
20260214W	23 Feb 2026	Permission	Graham Bradley Chairman Adamstown AFC	New Ross Municipal District
	Location :	Brownstown, Newbawn		
	Proposal :	Planning for A) an all-weather playing pitch and all associated lighting B) floodlighting to main grass playing pitch and all associated site works		
20260218W	23 Feb 2026	Permission	Thomas Mac Namee	Gorey - Kilmuckridge Municipal District
	Location :	Ballinacarrig, Courtown		
	Proposal :	Permission for the development which will consist of alterations to existing 2 storey dwelling consisting of; (i) relocation of existing front porch with pitched roof; (ii) removal of existing chimney; (iii) alterations to window and door openings on the external facades to suit new internal layout and all associated site development works		
20260233W	25 Feb 2026	Permission	Lodgewood Solar Farm Limited	Enniscorthy Municipal District
	Location :	Croy, Ferns		
	Proposal :	Permission for development consisting of: a modification to the permitted development (Wexford County Council Planning Ref: 20241593) for a 10-year permission for a Battery Energy Storage System (BESS). The proposed development comprises the following: A BESS with associated infrastructure including a new entrance and internal access road; a 100 metre 33kV double circuit underground cable grid connection to the permitted Lodgewood 110kV substation (that will be subject to a modification application to An Coimisiún Pleanála) to be installed in an excavated trench including underground ducting; modular office and welfare buildings; three steel storage containers and all associated site development and reinstatement works. The key design amendments of the proposed modification of the permitted development are as follows: relocation of the Battery Energy Storage System units and control units and overall reduction in the number of each; revised location for the 33kV double circuit underground cable grid connection route from the relocated Battery Energy Storage System units to the revised substation location, facilitated by a minor adjustment to the site red line boundary; new siting of the associated internal access track; revised site entrance location; and relocation of other ancillary infrastructure (modular office, welfare, storage containers, switchroom, drainage features and miscellaneous electrical equipment). A Natura Impact Statement will be submitted to the Planning Authority with the application
