EXD00939	22/02/2022	Exempted Development	Kelhearne Developments Ltd	Wexford Municipal District
	Location :	Ballyboggan Upper and Glascanny, Castlebridge		
	Proposal:	Planning permission has been granted for the development of 12 houses, Planning reg. no. 20201148 refers. The design of the first floor bedroom windows is causing issues with regard to building regulation compliance, with regards to height of opening above floor level, in this case the window board height. The bottom of the opening sash would be less than 800mm if a child were to stand on the window board. The options are to fit a glazed guarding on the window board to the height of the opening sash, 2) splay off the window board at say 45 degrees downwards, so that no one can stand on it or, 3) increase the height of the window cill to 800mm above floor level as shown on the attached drawing - Proposed Front Elevation. On the same drawing sheet there is the Front Elevation as granted Planning Permission. The question, would the change in height of the windows cills be exempted development.
