Have Your Say

We invite you to make comments and give us your feedback on this proposal. Comments can be made, no later than 5pm on Tuesday 13th of October 2020 through any one of the following:

In writing to: Rosslare to Waterford Greenway, Special Projects Office, Wexford County Council, County Hall, Carricklawn, Wexford, Y35 WY93

By email: With the subject 'Rosslare to Waterford Greenway' to: specialprojects@wexfordcoco.ie

By electronic submission by filling out the online form at www.wexfordcoco.ie/greenwayconsultation

Rosslare to Waterford Greenway

Public Information Leaflet

Wexford County Council, acting on behalf of Kilkenny County Council and Waterford City and County Council, proposes the development of a Greenway from Rosslare Harbour to Waterford. The route is centred around the out of service Rosslare Strand to Waterford rail corridor that will connect to the South East Greenway in Co Kilkenny. The proposed project will provide:

- 57.5km of dedicated Greenway facility;
- A tourism and recreational amenity of regional significance;
- Opportunities for rural regeneration of towns and villages along the route

This project, in conjunction with the South East Greenway (New Ross to Waterford), will provide 82km of dedicated walking and cycling facilities in the South East of Ireland and provide greenway connections from Rosslare Europort to New Ross, Waterford and beyond.

Project Overview

The purpose of this information leaflet is to outline the location of the proposed carpark for Rosslare Strand and to seek the views of the local community. The carpark will:

- Provide access to the Greenway for local residents;
- Provide a focal point for the Greenway in Rosslare Strand;
- Be of high quality design with landscaping and screen planting incorporated into the proposal;

Next Steps

We would like to hear from the local community of Rosslare Strand in relation to the proposed carpark and invite you to comment. All feedback received for the project will be considered and incorporated into the application for planning consent to be submitted to An Bord Pleanála in November 2020.

Location of Carpark

The proposed location of the carpark is outlined in the below map, just south of Mauritiustown Road railway bridge and to the east of a proposed new housing development. Access will be provided from Mauritiustown Road through the existing road network to Commodore Barry Park. A segregated three metre wide Greenway will be provided adjacent to the road to provide access to Rosslare Strand to the North and Rosslare Harbour to the south.
