With the **Wexford Libraries App** you can quickly access and manage your account and search the library catalogue on your Android tablet, iPad, or smartphone! Once you're a member you can use the app to:

- > access and manage your library account
- > issue and return items in the library
- > reserve and renew items
- > locate your nearest branch library and see their opening hours
- > view a list of upcoming library events
- > download eBooks, eAudiobooks, eMagazines, eComics and eGraphic novels
- > access online resources
- > If your device has a self-focusing camera, you can also scan the barcode of any book anywhere to see if we have a copy which you can then request
- > You can use the Wexford libraries app to self-issue your own items, which means you don't even need to interact with touch screen kiosks. Available for android and apple devices.
- > Link up to 6 family library members to easily manage the account for all the family

You can download the app from....
