Step 3
My loans, reading lists and sharing

On the top bar you can see **My Loans** and **My Reading Lists**, on the bottom bar you can see **My Loans, eAudiobooks, eBooks** and **Search**. From this screen, you can see how many loans you have remaining, titles that you have on reserve and your loan history.

If you have used up all your loans and discover other titles you want to read or listen to in the future, you can add them to **My Reading Lists**.

Tap on **My Reading Lists** to view which books you have added.

You can add eBooks and eAudiobooks at any time, simply tap and hold the cover, a list will pop up from the bottom of your screen giving you the option to add to your reading list.

If there are titles that you want to share with your family and friends you can do that from here, too. Simply **click Share** rather than Borrow or add to Reading List.
